NO. #322 STATIONS #115 SERIES

DATE: 8 September 1953

Reference copy of Jobsite BWD #3290 dated 20 August 1953, signed by Boettcher giving authority to construct Stations #115 Series.

These stations have been deleted as noted in Catalog of Scientific Stations as of August 20, 1953. It is possible that this work order was issued prior to receipt of the catalog at Jobsite. Same deletions are noted in Memorandum #2259 from Dave Narver, Project Manager, dated August 13, 1953.
